

MAGHULL FC YOUTH

"To produce quality coaches and players through inspiration and education in a safe environment for the whole community"

Welcome to the Club!

Please read carefully through this signing on pack, the information explains what we ask of you when your child joins our club, it is important you are aware of all our procedures and why we ask you to complete this documentation.

It is very important that you sign the club signing on form only after you have read the Maghull FC Youth Welcome Pack; your manager has a hard copy, but to save paper please go to our website www.maghullfc.co.uk and SIGN UP as a parent, also get your child to sign up as a player on the membership option, then click on 'Club Information' and select 'Maghull FC Jnr Teams Area'. Only sign and tick the acceptance box once you have read it. You may wish to download a hard copy of these documents and keep them.

Registration

Please find enclosed a youth registration signing on form including contact details that your child's team manager requires. Please ensure they are correctly completed **BEFORE** returning them to your team manager, otherwise they will be returned back to you for completion. This may delay your child's participation in match football as **ALL** players must be registered with the club before they can play.

It is important that your child's manager has contact details not only for text messages to inform players of match/training times etc but also in the event of an emergency. It is your responsibility to inform us/team manager if you change your contact details.

Please don't forget to tick the box agreeing that you have read and adhere to the rules and regulations set out by Maghull FC Youth in the Welcome Pack. Also please fill out the photographic/film parental consent as appropriate and sign and date the form.

You will see that a registration fee of £10 is payable. This is to cover the cost of club/league administration fees but most importantly pays for personal injury insurance which covers your child at both training and matches including travel.

Below is a checklist to help you ensure you have provided all the relevant information to the club:

Subs

As with all football clubs there is a cost to running a team. Each team is responsible for setting their own level of subs and your child's team manager will advise you of what this is but generally subs will pay for:

- Match fees
- Referees
- Training venues
- Equipment
- End of season trophies / presentations

All teams are encouraged to adopt a **NO CASH** policy. This is to protect both you and the team as cash is not recorded and can be lost. We therefore ask that team subscriptions are paid via bank standing order and in advance. Standing orders allow us to monitor incomings and outgoings but are always under your control as you are able to decide payment date etc... as well as being able to cancel. A cheque can be paid at the beginning of each month, however I would suggest you set up a standing order to be paid before your child's first competitive game, as this will enable your child to play immediately. We do however recognise that in some instances cash is the only option so please inform your team manager if this is the case. **PLEASE NOTE SUBSCRIPTIONS ARE NONE REFUNDABLE.**

ALL monies are accounted for throughout the season. Each team must keep regular income and expenditure accounts, if you wish to see these at any time, please contact your team manager / team secretary for details.
